Councilman Cameron states, at our last Council Meeting we talked about where a portion of Phillips Street use to run; all the way to Markland. There is nothing but grass land there. We want to add 678 Feet that was vacated on to the 533 Feet; between Cartwright Ellis, and Syndicate Sales so they can use that for what-ever they want to.

Second reading

Councilman Cameron states, this is by Pettit Park School. This was an eye sore for this area. The plan is to demolish; and to make extensions so the children at Pettit Park have a little more play room; and also extend the parking lot on the side of the road. As I said before there was a lot of bad graffiti. We could not get the owner to remove it; so the City painted it, and sent him a bill; finally we have it now where it is going to be gone, and will be turned-over to the School System.
