A Resolution to Adopt the United Way of Howard County’s Education Initiative

Resolution 2711 was read by the Clerk by title only. Councilman Whikehart moved for passage on resolution 2711; seconded by Councilman Kennedy.
Cont. Resolution #2711.
Councilman Whikehart states, I would like to go out of order to have Abbie Smith, and the Chairman of the Board here from the United Way. I would like Abbie to come-up, and speak on this.

Abbie Smith 2201 Fox Fire Lane Kokomo, Ind. states, you have the resolution; and we thank you for considering it. There are lots, and lots of great reasons to support Early Child Education in our children. Our favorite thing about this goal is that it is reflected of what the people in the City of Kokomo, and Howard County wanted us to do. It is our job to serve the Community to provide for the Communities most pressing social need. When we asked what kind of community do you hope to live in? They said one where people work together; and then also one where education is valued especially around Early Childhood. We are proud of the work we have done here. It has been done with no fewer than 2000 people inputting, and including Councilman Miklik. We are proud to present it, and thru Councilman Whikehart. Thank you very much for considering it.

Councilman Whikehart states, I appreciate all of the support for Community Members being here for this. As Abbie said this is very, very important for us. We know education has a long lasting impact in our society, and community; especially with Economic Development, and everything else. I am proud to carry this resolution, and I appreciate Council supporting it. I will read the entirely resolution.

Vote for passage follows:
Aye: All

The vote was 9 to 0 for passage.
President Hayes states, this marks the end of this Council Meeting; and our next Council Meeting will be June 25th, 2018 with an Informational Meeting at 5:30 P.M. in the Louks Room, and Council Meeting at 6:00 P.M. in the Council Chambers.
