INTERLOCAL AGREEMENT
BETWEEN THE CITY OF KOKOMO, INDIANA, AND THE HOWARD COUNTY
RECYCLING DISTRICT CONCERNING RECYCLING SERVICES

This Interlocal Agreement ("Agreement") pursuant to Indiana Code chapter 36-1-7 is entered into by and between the City of Kokomo, Indiana ("City") and the Howard County Recycling District ("District"), and is effective upon adoption by both parties.

WHEREAS, the District assesses taxes to provide recycling services and other services provided by Indiana Code to residents of Howard County, Indiana, within which the City resides; and

WHEREAS, the District supports the City’s curbside recycling services to City residents; and

WHEREAS, the District initially tendered Two Hundred Thousand Dollars ($200,000) to the City on or about January 1, 2016 to support the City’s curbside recycling services to City residents; and

WHEREAS, the District intends to commit portions of its tax proceeds in support of City curbside recycling services pursuant to this Agreement in addition to the foregoing payment; and

WHEREAS, the District intends to comply with the State Board of Accounts report dated July 24, 2018 setting forth that the District must enter into an interlocal agreement with the City in the event it intends to commit portions of its tax proceeds in support of the City curbside recycling services; and

WHEREAS, Indiana Code provides that the City and the District may enter into this Agreement pursuant to Indiana Code chapter 36-1-7.

NOW, THEREFORE, pursuant to Indiana Code § 36-1-7-12, in consideration of the mutual promises and considerations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is mutually acknowledged, the parties hereby agree as follows:

1. **Purpose.** The purpose of this Agreement is to establish the terms of the conditions for which the District will financially support curbside recycling services provided by the City to City residents, who are simultaneously residents of Howard County, Indiana, as set forth herein.

2. **Financial Support by the District.** The District agrees to provide a total of Two Hundred Thousand Dollars ($200,000), in addition to prior payments made as set forth above to
the City in order to directly support the curbside recycling program, which has been fully implemented by the City. Said payments shall be made by the District on an annual basis in the amount of Fifty Thousand Dollars ($50,000) per year, until paid in full ("Payments"). The District commits it is fully supportive of the curbside recycling program and will make every effort to specifically include in its annual budgets the remaining Payments owed the City. However, the requirement of the District to make said Payments in the foregoing amount is expressly contingent upon the District having available reserve funds equaling Fifty (50%) of the District’s yearly budget plus Fifty Thousand Dollars ($50,000) as measured semi-annually on June 30 and December 31, but in each case excluding the distribution, if any, received from the State of Indiana immediately preceding the measurement date, said amount being deducted from the District’s cash as reported in the June 30 and December 31 financial statements of the District to arrive at the available reserve fund amount. In the event the foregoing contingency is not met, the District reserves the right to withhold its yearly installment payment until such time as it meets the foregoing reserve fund requirement which may or may not be within the same calendar year. In no event will the District be required to make more than one (1) payment per calendar year to the City. The City acknowledges receipt of the District’s first initial payment of Fifty Thousand Dollars ($50,000) in the calendar year of 2018.

3. Duration and Termination. This Agreement shall be in full force and effect as of the day it is last adopted by the governing body of the City or the District (whichever is last) and shall continue for an initial term of five (5) years, and shall automatically renew for subsequent five (5) year terms unless otherwise terminated by either party as set forth herein. The District may terminate this Agreement in the event the City ceases providing or operating its curbside recycling program. This Agreement may be terminated by either party providing notice in writing at least twelve (12) months before the proposed date of termination ("Termination Date"). If terminated for any reason or at any time, and notwithstanding any other provision or law, the City shall have the right to continue to provide the curbside recycling services to its residents at the City’s own discretion. The parties agree that there is no real or personal property to be disposed of upon termination of the Agreement.

4. Responsibilities of the City. The City shall provide the necessary financing, staffing and other resources, including appropriate budgeting, to operate curbside recycling within the City as the City deems appropriate provided that said operation must be in its present fully implemented state. The City further agrees to provide the District with data that reflects the volume of recycling materials as well as any other relevant data and operating information within a reasonable amount of time upon request by the District.
5. **No Third Party Beneficiaries.** Nothing herein is intended to give, nor shall it have the effect of giving, any enforceable rights to any third parties who are not the signed parties hereto (solely the City and the District), whether such claims are asserted as third party beneficiary rights or otherwise.

6. **Remedies for Breach.** If a party breaches this Agreement, the other party shall be entitled to all remedies available at law or equity, and shall specifically be entitled to, but not limited to, injunctive relief, specific performance, emergency injunctive relief, and the recovery of all costs, including all court costs and attorneys’ fees.

7. **Severability.** If any term or provision of this Agreement is declared to be invalid, null, void, or unenforceable, the remaining provisions shall not be affected and shall remain in full force and effect to the fullest extent permitted by law.

8. **Entire Agreement.** This Agreement represents the entire understanding between and among the parties hereto. The signing of this Agreement by both parties constitutes their mutual recognition that no other contracts or agreements, oral or written, exist between them and that if such oral or written contracts do exist they shall be considered void. Each party hereby represents to the other that it will not rely upon any agreement, contract, or understanding not otherwise contained within this Agreement and executed or reduced to writing and incorporated by written amendments to this Agreement with the full knowledge and approval of both parties.

9. **Successors and Assigns.** This Agreement shall be binding upon the parties’ successors and assigns.

10. **Recordation.** Upon approval, this Agreement shall be recorded and filed pursuant to Indiana Code § 36-1-7-6.

11. **Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall be an original and all of which shall constitute one and the same instrument.

12. **Recitals Incorporated.** The recitals stated herein are incorporated herein by reference as if fully restated here.

13. **Headings.** The paragraph headings provided in this agreement are for demonstrative and reference purposes only and shall not be used in construing the meaning of any particular paragraph or the Agreement in anyway.
IN WITNESS WHEREOF, we have hereunto set our hands this 16th day of June, 2020.
